This course is ideal for those who wish to gain a professional qualification in Teaching English as a Foreign Language.

Course Assessment

The online Advanced TEFL Certificate is achieved by satisfactorily completing

- 12 quizzes
- 3 tasks-based modules
- Six 500-word assignments
- A three-part task-based comprehensive exam

At the end of the course, you will have a three-part task-based exam. Your work will be assessed and a detailed feedback will be sent to you with your grade. After this, you can request your certificate from your LMS-personal account. Certificates will be sent to your home address.

Studying tips

When you sign up for an online course you choose to be your own tutor. You are usually assigned a time frame to complete all the modules; however, you work at the pace you set.

This means you can finish before the allotted time, or you can ask to extend your studying period.

Once you enrol, you can access Notting Hill College Learning Management System (NHC-LMS) where you will be able to download course materials, access your quizzes and exam section, and order your certificate.
