## EXCELLENCE IN TEACHING

We have based our learning system on three main principles.

**INTERACTION:** Only English is Spoken in Classroom to help students in using the language as quickly and effectively as possible.

**APPROACH:** Using the immersion theory to raise learners' awareness of the English-speaking cultures "Learn through English, about English."

**TASKS:** Selection of Communicative-Based Exercises & Intelligent Topics to consolidate on the newly learnt target language.

This simple yet effective approach of language training has helped thousands of students achieve their goals.

## TRAIN YOUR STAFF

NHC General English Programme is also delivered to organisations & companies that recognise that some employees require an improved knowledge of English in order to perform to their full potential. A tailored-version of the programme can be introduced to combine both language and subject tuition. These bespoke courses can be delivered in-campus or at your site.
