

NOTTING HILL COLLEGE

Promoting Excellence in Education

NOTTING HILL COLLEGETM

Notting Hill College is a dynamic British-based institution specialises in further and continuous education as well as vocational training. Due to our rigorous updates and innovations; NHC has attracted ambitious students to join its programmes and has thrived the teaching and learning community. Our quality-driven approach has given us a global outlook and has placed NHC at the forefront of continuous education.

All NHC Schools are committed to excellent education and quality training. Through our practical, career-focused training, we help our students reach their full potential. Our experience in delivering vocational and academic courses in a wide range of subjects has helped our students achieve their goals and have a successful future.

The College has three regional offices: NHC Gulf Area Regional Office, located in the UAE; West Africa Regional Office in Ghana; and North Africa Regional Office in Egypt. An important role of these regional offices is to co-ordinate NHC's global reach through the College's steadily expanding network.

Promoting Excellence in Education

Notting Hill College is committed to excellence in teaching and a genuine care for the welfare of our students. We aim at developing our students' potential and empowering them to move forward in their careers by assisting them in gaining the maximum qualifications they are capable of achieving. As we understand your need for options, Notting Hill College presents its programmes in many formats, from Computer-based Learning to Instructor-led Training. These flexible formats allow learners to pursue their goals on their schedule.

Choose the learning format that is right for you!

Academic English

Let your English Qualification Speaks for you

NHC Testing Centre certifies students' language skills within the (CEFR). NHC Testing Centre organises both online and standard (paper-based) test sessions throughout the year. Institutions licensed by the College to work as NHC Testing Centres aim at verifying the following language skills for their students: Use of English, Listening, Reading, Writing and Speaking. Our tests are designed by highly-qualified experts with many years of language teaching experience.

NHC Testing Centre proficiency tests come in six levels ranging from Breakthrough level (A1) to Mastery level (C2).

NHC School of Business offers a wide range of up-to-date business programmes in a variety of learning formats. NHC School of Business executive education programmes give learners the essential tools to make an immediate contribution to global business.

We provide accessible, student-centred academic and personal enrichment opportunities to help our learners bring international perspectives to their personal and professional lives.

Our array of short courses, complete courses, certificate level, diploma level and master degree programmes address the needs of those who are new or have some experience in the subject as well as middle and senior managers in various business environments.

Study Opportunities: Cutting-Edge Executive Education
Our top-ranked Executive Education, business skills and management qualifications empower individuals and organisations to perform at their very best. Our learners have the benefit of choosing from up to 44 short courses, 22 complete courses, 3 certificates, 13 diplomas and 5 master programmes in *four main areas*: HR, Management, Sales and Marketing, and Business Skills.

If learners have commercial ambition, wish to join a global blue chip company, work in an entrepreneurial sector or one day start their own businesses, they have the chance to explore our unlimited study opportunities that lead them towards a successful career.

Corporate Training **Train your Staff!**

We are proud to be the first choice for Training and Human Resource Managers worldwide. NHC has an excellent reputation in providing high-quality valued training to the business community. We are confident that you will find our courses - whether they are selected from our brochure or customised to your own organisational needs - of the highest quality.

Consultancy Services **The Fast Track to Global Success!**

One of the services NHC provides to the educational and business communities is consultancy and development. We help companies, organisations, and other institutions enhance their staff. This is done by holding professional development workshops that hone executives and teachers' skills. Our work brings together extensive experience and academic excellence to provide a comprehensive consultancy service, from initial needs analysis to delivery and follow-up.

Our Consultancy Services consist of an appropriate combination of the following elements:

- Research
- Needs Analysis
- Proposal Presentation
- Course or Service Delivery
- Evaluation
- Follow-up

NHC Credentials are the Hallmarks of Excellence in Learning

Notting Hill College is a member of the international community. We pride ourselves on being a member of different international associations.

Our adherence to the international standards of the training industry has enabled us to establish and maintain a global reputation for top-of-the-line courses and services.

The college is a UK Registered Learning Provider (UK-RLP; No. 10028428).

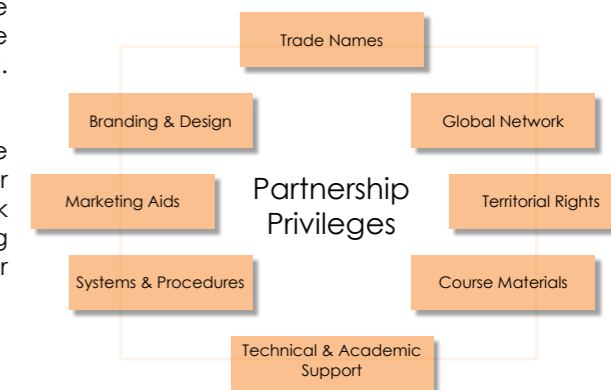

NHC Partnership is an Unparalleled Experience

Notting Hill College steadily expands through a network of Franchisees, Authorised Distributors and Accredited Course Providers. The aim behind our expansion is to open up more venues for the benefits of potential students around the world. Our Partnership is open for both organisations & individuals.

One of the main reasons behind our continued success is the combination of our tried and tested business model with our solid and extensive training and support network. We work closely with our partners to build strong and long-lasting working relationships that are essential to further incubate and grow our innovative services.

By joining our network, you will be able to...
